God is love, eternal love

Em G A Bm G D A Bm G A D
God is love, eternal love

God is love and love enfolds us
All the world in one embrace
With unfailing grasp God holds us
Every child of every race

And when human hearts are breaking
Under sorrow's iron rod
Then we find that self same aching
Deep within the heart of God
Deep within the heart of God

God is love and though with blindness
Sin afflicts all human life
God's eternal loving kindness
Guides us through our earthly strife

Sin and death and hell shall never
O'er us final triumph gain
God is love so love forever
O'er the universe shall reign
O'er the universe shall reign
