

Grace Has Found A Way

Bm9 Dmaj7/F# G2
I see, I feel the sting of death
Bm9 Dmaj7/F# Cadd9
I cannot trust my righteousness
A D/F# G2
Now frightened, weakened by the law
Bm9 Dmaj/F# G2
What po'er undoes this mortal flaw?

A D/F# G2 D
Grace has found a way
A D/F# Cadd9
Grace has found a way

Once all I sought was but to climb
Religious ladders in my mind
But there my God was never found
He had descended to the ground
To wash my dirty feet

A D/F# G2 D
Grace has found a way
A D/F# G2 D
Grace has found a way
A D/F# G2 D
Grace has found a way
A D/F# G2
In Jesus

When sinking down into despair
The Son of God, I found Him there
With sinners He had come to call
And I arrived, the worst of all
But still He welcomed me
